# Dancing Leaves Coasters

*Perfect for the fall months, these coasters add a decorator touch while being very useful. Crochet them in any one shade or in many shades to complement your room.*

Coaster measures 5.5" (14 cm) in diameter.  
Motif measures 3" (8 cm) long (including stem) x 2" (5 cm) wide.

## Notes

- Motifs are working in a continuous spiral. Do not join or turn unless otherwise indicated. Place a stitch marker in the first stitch and move up as work progresses.
- Motifs are joined while working Rounds 4 and 5, using a join-as-you-go technique, following Assembly Diagram for placement.

## Special Stitches

**adjustable ring** = Holding the yarn a few inches from the end, wrap around your finger. Do not remove wrap from finger, insert hook into the wrap and draw up a loop of working yarn. Chain one to secure the loop, and remove ring from finger. Work stitches of first round in the ring. Pull gently, but firmly, on tail to tighten ring.

**picot** = Ch 3, slip stitch in first ch, slip stitch in indicated stitch.

**joining picot** = Ch 3, insert hook in first ch and in corresponding picot of previous Motif (see Assembly Diagram), yarn over and draw through all loops on hook, slip stitch in top of indicated stitch on current Motif.
