Finished measurements: 2" (5 cm) wide x 32" (81.5 cm) long (adjustable), without elastic

Fitting Tip: Elastic should be ¾" smaller than bride's thigh measurement once sewn into a ring. Crocheted Garter should be 2" (5.1 cm) less than twice the thigh measurement. Foundation can be adjusted in increments of 8 ch sts to make larger or smaller as needed.

Pattern Notes

Garter is crocheted in 2 steps. First a mesh strip is worked in the round with one side of lace edging crocheted off top of strip. Then thread is attached to opposite side of foundation ch and matching lace edging is crocheted around opposite side of strip. Flower is crocheted in 2 parts, then sewn together and sewn to center strip of garter. Once crocheted part of garter is finished, elastic is woven through center strip and ends are sewn together.
