FINISHING

Following photo and using 1 strand of **B**, embroider mouth on Head with straight stitches. Sew on buttons for eyes. Embroider eye brows above eyes.

For best results, lay tee-shirt flat and insert a piece of cardboard inside and smooth the shirt front. Referring to the photo, pin Skeleton pieces to upper middle portion of shirt. Arrange limbs as desired. Carefully hand-stitch pieces using matching thread, being careful not to pull the thread too tightly in order to prevent puckering.
