Cityscape Shawl

Ready for adventure, this shawl is simple
enough to work on as you travel, and it will
keep you warm after the knitting is done!

**92" [233.5 cm] long x 12" [30.5 cm]
wide (at deepest point) after blocking**

NOTES

1. To line up the CDD's and create a shawl 'spine', work to 1 stitch before the completed CDD of the previous right side row by looking for the passed stitch (it looks like a left leaning slash), then work the next CDD.
2. For ease in locating 1 stitch before CDD, a removable marker may be used. Place marker before CDD on Row 9 of the Setup section. After completing Row 9, move marker 1 stitch to the right. On Right Sides of Increase and Decrease sections, *work pattern as established to marker, slip marker, make CDD, finish row as written and then move marker 1 stitch to the right. Repeat from * to end of Decrease section.

SPECIAL STITCHES

- **CDD (centered double decrease)**
= Slip next 2 sts as if to k2tog, k1, p2sso to decrease 2 sts. kfb (knit into the front and back of next stitch) = Knit the next stitch on the left hand needle and before taking it off the needle, insert the tip of your working needle into the backside of the same stitch and knit it through the back loop. Then transfer the 2 stitches to the right hand needle - 1 st increased.
- **ssk (slip, slip, knit)** = Slip next 2 stitches, one at a time, as if to knit to right needle, insert point of left needle through front of stitches, knit these sts together through back loop - 1 st decreased.
- **k2tog** = Knit 2 stitches together - 1 st decreased.

This shawl is worked alternating 2 rows of color **A** and then 2 rows of color **B**. Carry yarn not used loosely up edge, twisting it to avoid loops.
