### Special Stitches

**kfb** (Knit into front and back) = Knit next st but do not remove from needle, knit into back loop of same st and remove from needle.

### NOTES

1. Poodle is worked in rounds on circular needle, using the magic loop technique. Optionally, double-pointed needles can be used.
2. Pieces are worked separately and sewn together.
3. Collar, leg and ear poufs are worked with one strand each of Pomp-a-Doodle and Super Saver held together. For ease in completing stitches, yarn over with each strand of yarn separately before completing stitch (yarn over with Pomp-a-Doodle, yarn over with Super Saver, then complete stitch).
4. When working with Pomp-a-Doodle, make two stitches per space between pom-poms. Occasionally make only one stitch per space for a fluffy, looser look.
5. Take care to keep pom-poms on the outside of the work.
6. To aid in keeping the pom-poms on the outside, work in rows of Garter stitch for the Pomp-a-Doodle rows of legs and ears. After the Pomp-a-Doodle rows are complete, resume knitting in the round. The hole created when reverting to rows can be closed using yarn tail. The Garter stitch will not be visible underneath the Pomp-a-Doodle.

#### FINISHING

Using photograph as a guide, sew ears to head. Make sure that the ears are not too far apart and that the tops will be covered by the head pouf.

**Sculpt Eyes (work 2):** Locate eye positions and mark each with a pin. With yarn needle and **A**, sew a small stitch in first eye location. Insert needle into head at first eye location and out through 2nd eye location. Pull tightly to

form indents for eye sockets. Repeat once more (working from 2nd eye, back to first eye) and knot securely. Hide yarn end inside head, bringing excess up through top of head and trim.

**Eyelashes and Eyes:** With embroidery needle and all 6 strands of black embroidery floss, embroider eyelashes, as follows: Insert needle in middle of eye socket, bringing it out about ½" from origin. Insert needle back into original spot to form lash. Repeat 2 more times. Embroider eyelashes on other side in same manner. Sew buttons over the center of the eyelashes, covering any knots and yarn that was used to sculpt the eyes.

**Head Pouf:** Arrange head pouf on crown of head, making certain to cover top edges of ears. With yarn tail, sew pouf to head.

**Neck:** If neck was worked separately, sew narrow end of neck to underside of head. Stuff neck firmly. With yarn tail, sew wide end of neck to front of body.

**Collar:** Wrap ribbed sweater collar around poodle's neck and whipstitch (or use Kitchener st) back seam. Keeping seam to the back of neck, tack collar to neck in a few places.

**Legs:** With beginning yarn tails, sew legs to body, making sure that they are even and level.

**Tail:** With yarn tail, sew tail to back end of body.

**Cheeks:** With dark powder blush and a large makeup brush or stenciling brush, load brush as if to apply makeup to own face. Tap off excess blush. Locate cheek area and apply powder using a tamping or pouncing motion. Hold the brush straight and perpendicular to the desired location. Do not use a brushing or sweeping motion. Apply in layers until desired effect is achieved.
