Throw is made in horizontal panels that are sewn together. Each panel begins with the center star row. Always mark the last point made (for joining process). Always join full stars in the 5th (marked) point then the 4th point (the point before the marked point) of previous star. The star row is worked as follows: begin ½ star, 17 full stars (9A, 8B), end ½ star. Sew in all loose ends.
