## Granny Tree Skirt

*Create a tree skirt that reflects your passion for crochet and the beloved granny square motif! This skirt is shown in a scrappy look, using ten different colors of yarn. Each of the grannies has more stitches on the outer edge so it will lie flat. Start early and crochet a couple squares a month and you'll have it done in time to trim the tree!*

Skirt measures 58" diameter, to fit around standard tree holder.

### NOTES

1. Skirt is made from thirteen pieces: an inner ring and twelve granny squares arranged around the outer edge of the inner ring.
2. The granny squares are not perfectly square; one edge is shorter than the other three edges. The shorter edge is sewn to the outer edge of the inner ring.

## GRANNY SQUARE (make 12)

### Notes:

1. Make one granny square in each of the color sequences listed.
2. Squares are worked in joined rounds with Right Side facing at all times.
3. Ch-1 spaces are worked between the 3-dc groups across 3 edges of each square. No ch-1 spaces are worked between the 3-dc groups across one edge of each square (the top of the square). This shapes each square so that it is slightly narrower at the top than at the bottom.
4. Each round is worked with a different color. Fasten off old color at the end of each round.
5. To reduce the number of tails to weave in later, crochet over the ends as you go.

**Square #1:** C, D, B, A, E, F, G, I, J, H.

**Round 2:** With Right Side facing, draw up a loop of 2nd color in any ch-1 space, ch 3, 2 dc in same ch-1 space, (3 dc, ch 1, 3 dc) in each of next 3 ch-1 spaces, 3 dc in same ch-1 space as joining, ch 1; join with slip st in top of beginning ch—24 dc and 4 ch-1 spaces. Fasten off 2nd color.

**Round 3:** With Right Side facing, draw up a loop of 3rd color in any ch-1 space, ch 3, 2 dc in same ch-1 space, 3 dc in next space between 3-dc groups, (3 dc, ch 1, 3 dc) in next ch-1 space (corner made), place a marker in the 3-dc group before the corner for top edge of square, \*ch 1, 3 dc in next space between 3-dc groups, ch 1, (3 dc, ch 2, 3 dc) in next ch-1 space (corner made); repeat from \* once more, ch 1, 3 dc in next space between 3-dc groups, ch 1, 3 dc in same ch-1 space as joining, ch 1; join with slip st in top of beginning ch—4 corners and one 3-dc group on each side. Fasten off 3rd color.

**Round 4:** With Right Side facing, draw up a loop of 4th color in first corner ch-1 space, ch 3, 2 dc in same ch-1 space, 3 dc in each space between 3-dc groups across to next corner ch-1 space, (3 dc, ch 1, 3 dc) in corner ch-1 space, [\*ch 1, 3 dc in next ch-1 space; repeat from \* across to next corner ch-2 space, ch 1, (3 dc, ch 2, 3 dc) in corner ch-2 space] twice, \*\*ch 1, 3 dc in next ch-1 space; repeat from \*\* across to first corner ch-1 space, ch 1, 3 dc in same ch-1 space as joining, ch 1; join with slip st in top of beginning ch—4 corners and two 3-dc groups on each side.

Fasten off 4th color.

**Rounds 5–10:** Repeat Round 4 six times and continue to change color every round as in color sequence—4 corners and eight 3-dc groups on each side at the end of Round 10.

**Note:** If desired, join in a different corner ch-

space for each round and work as for Round 4, taking care not to work ch-1 spaces between the 3-dc groups across the top edge of the square, and working ch-1 spaces between the 3-dc groups across the other 3 edges. Work (3 dc, ch 1, 3 dc) for each top corner, and (3 dc, ch 2, 3 dc) for each lower corner.

## FINISHING

Arrange granny squares around outer edge of inner ring, as shown in Assembly Diagram. Take care to place shorter (marked) edge of each granny square next to edge of inner ring. Match the ten 3-dc groups across the top edge of each granny square with eight 3-dc groups (and the ch-1 spaces between the 3-dc groups) of outer edge of inner ring. Sew the granny squares together and to the inner ring. The designer recommends sewing the squares together in groups of three and then sewing the group of three to the inner ring.

## Outer Border

**Row 1 (Right Side):** With Right Side facing, join D in outer corner of ring of granny squares, to work across outer edge, ch 2, work 1 hdc in each dc, 1 hdc in each ch-1 space, and 2 hdc in each corner ch-2 space (where squares are joined) all the way across outer edge. Fasten off.

**Row 2 (Right Side):** With Right Side facing, join E in top of beginning ch-2 of Row 1, ch 1, working in back loops only slip st in each hdc across. **Note:** Work with relaxed tension so as not to pull in the outer edge. Fasten off.

## Inner Border

**Row 1 (Right Side):** With Right Side facing, join D in inner corner of inner ring, to work across inner edge, ch 2, 2 hdc in each space between 3-dc groups all the way across inner edge, DO NOT TURN.

**Row 2:** Working in the opposite direction

(without turning piece, to work reverse hdc sts), ch 2, work hdc in each space between 2-dc groups across, slip st in beginning ch-2 of Row 1.

Fasten off.

## Side Borders

**Row 1 (Right Side):** With Right Side facing, join D in corner, to work across side edge, hdc evenly spaced across side edge, DO NOT TURN.

**Row 2:** Ch 1, reverse sc in each st across. Fasten off. Repeat across other side edge.

Weave in any remaining ends. Lay skirt flat on floor around tree holder, and pat into position. Note any areas that may need blocking. Block piece very, very lightly, if needed.

**ABBREVIATIONS:** A, B, C, D, E, ... = Color A, B, C, D, E ...; ch = chain; dc = double crochet; hdc = half double crochet; sc = single crochet; st(s) = stitch(es); \* or \*\* = repeat whatever follows the \* or \*\* as indicated; [] = work directions in brackets the number of times specified; () = work directions in parentheses into same stitch.
