WREATH

Snowflake (Make 6 or desired amount)

With steel hook and **A**, ch 6.

Round 1: Slip st in 6th ch from hook to form ring, ch 4, tr in ring, ch 3, *2 tr in ring, ch 3, repeat from * 4 times, slip st in top of ch-4.

Round 2: Sc in next tr, *sc in next ch-3 space, ch 10, sc in 4th ch from hook (ch-3 loop made), sc in next 6 chs, sc in same ch-3 space, sc in next tr, ch 5, sc in next tr, repeat from * 4 times, sc in next ch-3 space, ch 10, sc in 4th ch from hook (ch-3 loop made), sc in next 6 chs, sc in same ch-3 space, sc in next st, ch 4, slip st in first sc. Fasten off.

Round 3: Join **A** with sc in 3rd ch of any ch-5 space, *ch 3, sc in remaining loop of 3rd ch of next ch-10 stem, sc in remaining loop of next 4 chs, 3 sc in ch-3 loop, sc in remaining loop of next 5 chs, ch 3, sc in 3rd ch of next

ch-5 space, repeat from * 4 times, ch 3, sc in remaining loop of 3rd ch of next ch-10 stem, sc in remaining loop of next 4 chs, 3 sc in ch-3 loop, sc in remaining loop of next 5 chains, ch 3, slip st in first st. Fasten off.

FINISHING

To block Snowflake: Mix one part water and one part white glue. Cover cork board or foam with wax paper. Submerge each Snowflake in mixture, squeeze out excess liquid. Use straight pins to pin each Snowflake flat on covered cork board or foam. Let dry.

Read the blog with tips and assembly instructions with photos from designer Sharon Mann.

Wreath

With yarn colors **B-L**, wrap yarn around the 3", 2½" and 2" (7.6, 6 and 5 cm) Styrofoam® balls until foam can no longer be seen. Weave in the loose ends.

With wire cutters, cut stem wire in half. Insert the stem wire through each yarn-wrapped ball about ½" (12.7 mm) from the bottom.

Wreath Assembly

Before attaching the yarn balls to the wire wreath, cluster the yarn balls together in a circle the size of the wire wreath. This will allow you to decide what sizes, colors and textures go well together. Take a picture of your intended design for reference. Attach the yarn balls to the wire wreath, being careful not to wind the wire too tight just in case you need to make a few adjustments and move yarn balls for a better fit.

Once the all the yarn balls are in place, tighten and trim the wires on the back of the wreath.

©2012 Coats & Clark

Sew 5 snowflakes around the assembled wreath. With **A**, make a chain and attach to one point of remaining Snowflake. Attach remaining end of chain to the top center of the wreath.

FINISHING

With size H hook, make a 12" (30 cm) chain. Insert a stem wire through the chain and attach to the top of the wire wreath for hanging.

ABBREVIATIONS

ch = chain; **dc** = double crochet; **mm** = millimeters; **sl st** = slip stitch; **st(s)** = stitch(es); **tr** = treble crochet; **yo** = yarn over; **[]** = work directions in brackets the number of times specified; *** or **** = repeat whatever follows the * or ** as indicated.
