Fox Ornament

This sly little fox is right at home in a pine garland on the mantel. He is crocheted with a bright scarf so he can't hide in your tree.

Fox measures 7" (18 cm) tall

Special Stitch

sc2tog = [Insert hook in next stitch, yarn over and pull up a loop] twice, yarn over and draw through all 3 loops on hook.

Special Technique

Adjustable-ring method—Wrap yarn into a ring, ensuring that the tail falls behind the working yarn. Grip ring and tail firmly between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work stitches of first round in the ring. After the first round of stitches is worked, pull gently, but firmly, on tail to tighten ring.

Notes

1. Only small quantities of **B**, **C**, and **D** are needed for this project.
2. Gauge is not critical for this project. Work tightly so stuffing does not show through stitches.
3. For sections worked in continuous rounds, place marker for beginning of round and move marker up as each round is completed. Do not join rounds until instructed to do so.
4. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color. In some cases, the old color can be carried up the wrong side (inside) of the piece when next needed. This will reduce the number of ends to weave in later.
