Special Stitches

beg tr cl (beginning treble crochet cluster) (worked over 4 stitches) = Ch 3, *yo twice, insert hook in next stitch, yo and draw up a loop, [yo and draw through 2 loops on hook] twice; repeat from * 3 more times, yo and draw through all 5 loops on hook.

picot = Ch 2, sc in back bar of 2nd ch from hook.

tr cl (treble crochet cluster) (worked over 5 stitches) = Yo twice, insert hook in first stitch, yo and draw up a loop, [yo and draw through 2 loops on hook] twice, *yo twice, insert hook in next st, yo and draw up a loop, [yo and draw through 2 loops on hook] twice; repeat from * 3 more times, yo and draw through all 6 loops on hook.

Special Technique

Adjustable-ring method = Wrap yarn into a ring, ensuring that the tail falls behind the working yarn. Grip ring and tail firmly between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work stitches of first round in the ring. After the first round of stitches is worked, pull gently, but firmly, on tail to tighten ring.

NOTES

1. Rug is worked in joined rounds with right side facing at all times.
2. Yarn is too thick to thread through a standard yarn needle. Weave in ends with small crochet hook or large eyed needle used with plastic canvas projects.
3. Rug is intended to be used over carpet. If placed on a hardwood floor, designer recommends applying non-skid rug backing.
