## Kryisia Flower and Diamond Wrap

*Add a little something extra to a plain outfit with this elegant shawl. Crocheted in this shaded yarn with a bit of sparkle, you'll feel as good wearing it as you look.*

Wrap measures 12" wide x 66" long  
(30.5 x 167.5 cm)

### WRAP

#### Notes

1. Wrap is made from 20 flower motifs and 9 diamond motifs.
2. Motifs are joined together using a join-as-you-go technique while working the last round.
3. All motifs are worked in joined rounds with right side facing at all times.
4. First flower motif is made, then additional flower motifs are joined as the final round is crocheted. Each additional motif will be joined to 1 or 2 neighboring motifs through 2 or 4 picots, respectively.
5. After all flower motifs are joined, diamond motifs are joined to the open spaces between each group of 4 flower motifs.

#### Notes

1. Before working Round 3, refer to Assembly Diagram for placement of motif. Note the number of picots to which the current motif should be joined and work the appropriate Round 3.
