Special Stitch

dc2tog = [Yarn over, insert hook in next stitch, yarn over and pull up loop, yarn over and draw through 2 loops] 2 times, yarn over, draw through all 3 loops on hook.

Special Technique

Adjustable-ring method: Wrap yarn into a ring, ensuring that the tail falls behind the working yarn. Grip ring and tail firmly between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work stitches of first round in the ring, working over both strands (the tail and the ring). After the first round of stitches is worked, pull gently, but firmly, on tail to tighten ring.

Notes

1. Blanket is worked back and forth in rows with color change at end of every other row.
2. Hat is worked in joined rounds with right facing at all times. Earflaps are worked back and forth in rows.
3. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color. Cut old color.
