Special Stitches

beg-half-shell (beginning half shell) = Ch 5 (counts as tr, ch 1), tr in indicated stitch or space.

beg-shell (beginning shell) = Ch 4 (counts as tr), (tr, ch 1, 2 tr) in indicated stitch or space.

Fsc (foundation single crochet – This technique creates a foundation chain and a row of single crochet stitches in one) =

First st: Ch 2, insert hook in 2nd ch from hook and draw up a loop, yarn over, draw through 1 loop on hook (the "chain"), yarn over and draw through both loops on hook (the "single crochet").

Remaining sts: *Insert hook in "chain" of previous stitch and draw up a loop, yarn over, draw through 1 loop on hook (the "chain"), yarn over and draw through both loops on hook; repeat from * for desired number of stitches.

half-shell = (Tr, ch 1, tr) in indicated stitch or space.

inc-shell (increase shell) = (Tr, ch 1, 2 tr, ch 1, tr) in indicated stitch or space.

sc2tog (single crochet 2 together) = [Insert hook in next stitch, yarn over and pull up a loop] twice, yarn over and draw through all 3 loops on hook.

shell = (2 tr, ch 1, 2 tr) in indicated stitch or space.

tr2tog (treble crochet 2 stitches together) = *[Yarn over] twice, insert hook in next st, yarn over and pull up a loop, [yarn over and draw through 2 loops on hook] twice; repeat from * once more, yarn over and draw through all 3 loops on hook. **Note:** When instructed to work a tr2tog "over" two stitches (the particular two stitches will be specified in the instructions), work the tr2tog and the first time you need to insert the hook into a stitch, insert it into the first of the specified stitches. The second time you need to insert the hook into a stitch, insert it into the 2nd of the specified stitches.

Notes

1. Tunic is worked in joined rounds beginning at the neck edge. When piece reaches underarm, stitches are skipped to create armholes. Work then continues, in joined rounds, down to the lower edge over the remaining body stitches only.
2. Sleeves are worked directly into the armholes and worked down to the cuff edge.

YOKE

Round 1 (right side): Fsc 62 (64, 66, 68, 70, 72); join with slip st in first sc to form a ring. **Note:** The strip of Fsc should measure about 20½ (21½, 22, 22½, 23½, 24½)" (52 (54.5, 56, 57, 59.5, 62) cm) when laid flat.

Round 2 (increase): Ch 1, [sc in next 7 (5, 6, 4, 5, 4) sts, 2 sc in next st] 7 (10, 9, 12, 11, 14) times, sc in each remaining st around; join with slip st in first sc—69 (74, 75, 80, 81, 86) sts.

FINISHING

Neckband (optional)

Note: Working additional round around neck opening will make neck a bit smaller. If you work the number of decreases (sc2tog) specified in Round 1, the neckline will be about 20" (51 cm) around. Work more or fewer decreases to achieve the desired fit.

Round 1: With right side facing, draw up a loop at center back of neck edge, ch 1, sc in each st around, working 4 (6, 8, 10, 12, 14) sc2tog evenly spaced around; join with slip st in first sc—58 sts. Weave in ends.

ABBREVIATIONS

ch = chain; sc = single crochet; st(s) = stitch(es); tr = treble (triple) crochet; () = work directions in parentheses into same st; [] = work directions in brackets the number of times specified; * = repeat whatever follows the * as indicated.
