Country Fields Lapghan

Wonderful for relaxing, this design is reminiscent of rolling hills in shades of green. Crochet it using the colors shown, or any shades that will add the accent you need for your living room or bedroom.

Lapghan measures 46" wide x 36" long (117 x 91.5 cm), including border.

Special Stitch

Surface slip st = Insert hook from right side to wrong side and then to right side again around post of indicated stitch, yarn over, draw loop to right side and through loop on hook.

Special Technique

Join with sc = Place slip knot on hook, insert hook in indicated stitch, yarn over and draw up a loop, yarn over and draw through both loops on hook.

Notes

1. Lapghan is worked back and forth in rows. Lightly ruffled border is made in joined rounds with right side facing.
2. For a wider or narrower lapghan, increase or decrease beginning chains in multiples of 3.
3. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color. Cut old color.
