## Peppermint Throw and Pillow

*What a delicious way to dress up your home for the holidays! The peppermint motif is very cleverly designed with a smaller filler motif. To complete the look we've included a peppermint pillow.*

Throw measures 47" wide x 55" long (119.5 x 139.5 cm).

Pillow measures 16" (40.5 cm) diameter.

### Special Stitches

**beg dc2tog** = (Ch 2, dc) in next stitch.

**dc2tog** = [Yarn over, insert hook in next stitch, yarn over and pull up loop, yarn over, draw through 2 loops] 2 times, yarn over, draw through all 3 loops on hook.

### Special Technique

**Interlocking crochet** = Work the current round in front of the previous round but not into its stitches. Insert the hook through the chain space of the previous round and into the indicated stitch or chain space of same color round as your current yarn. As you work the new stitch, bring it forward through the chain space of the previous round. For example, in Round 3 (worked with A), insert the hook in the next chain space of Round 2 and, pulling the stitch forward, work in the indicated stitch of Round 1 (worked with A). Do not work over or into the stitches of Round 2.

### Notes

1. Throw motifs and pillow are made with interlocking crochet technique in joined rounds with right side facing at all times.
2. Last loop of each round is dropped after round is joined; next color is returned to the hook and worked in front of previous round. Colors are alternated as this sequence is repeated. Be sure to bring working yarn and loop of color not in use to front of piece when instructed. Do not cut yarn until instructed.
3. A stitches are only worked in A stitches of odd-numbered rounds and B stitches are only worked in B stitches of even-numbered rounds.

4. You may find it helpful to enlarge the dropped loop or place it on a locking stitch marker so it doesn't unravel as you work the next round.
5. Pillow is made in one piece with first side worked in increasing interlocked rounds and second side worked in decreasing interlocked rounds. Pillow form is inserted before last rounds are worked.

### THROW

**Large Motif (make 42: 10 with Edging #1, 10 with Edging #2, 9 with Edging #3, 9 with Edging #4, 2 with Edging #5, 2 with Edging #6)**

With A, ch 4; join with slip st in first ch to form a ring.

**Round 1 (right side):** Ch 4 (counts as dc, ch 1), dc in ring, [ch 1, dc in ring] 6 times, ch 1; join with slip st in 3rd ch of beginning ch—8 dc and 8 ch-1 spaces worked with A.

At the end of each round, drop and enlarge the loop on the hook so that it doesn't unravel as you work the next round. If desired, place loop on a stitch marker.

**Round 2:** With B, working in front of Round 1, join B with slip st in beginning ring between the beginning ch and first dc of Round 1, ch 4 (counts as dc, ch 1), dc in ring between next 2 dc, [ch 1, dc in ring between next 2 dc] 6 times, ch 1, bring A loop and working yarn to the front of piece; working behind the A loop and working yarn, join with slip st in 3rd ch of beginning ch—8 dc and 8 ch-1 spaces worked with B.

### Notes for Rounds 3–10

Begin interlocking technique. Current round is always worked in front of previous round but not into its stitches. A stitches are only worked in A stitches of odd-numbered rounds and B stitches are only worked in B stitches of even-numbered rounds.
