Enchanting Unicorn

Create a wonderful, colorful unicorn and please a sweet little miss! Working tightly is best, so that when you stuff your unicorn it won't show between the stitches.

Unicorn measures 13" (33 cm) from end of nose to hind end and 13" (33 cm) tall from top of head to bottom of front leg.

Special Stitch

sc2tog = [Insert hook in next stitch, yarn over and pull up a loop] twice, yarn over and draw through all 3 loops on hook.

Notes

1. Unicorn is worked in pieces that are sewn together. All pieces are made in continuous rounds (spirals) with right side facing. Do not join at end of round until instructed. Place marker for beginning of round and move marker up as each round is completed.
2. Gauge is not critical for this project, but work tightly to ensure that stuffing does not show through stitches.
3. Tuck in ends of tails to the wrong side before sewing pieces together to minimize finishing.

UNICORN

Place marker for beginning of round as you work each piece and move marker up as each round is completed.
