EDGING

Note: Open up the Sashay Sequins to smooth it out, and work into the top edge without the sequins. Start 4" (10 cm) from the end, and work into every other loop on the top edge to create the ruffle.

Hold Sashay Sequins and long side of Scarf with Right sides together. Insert hook into corner st of Scarf and through first loop of Sashay Sequins, draw loop up to join; *working evenly along first side of Scarf, insert hook into next st on Scarf and pull up another loop of Sashay Sequins and make a slip st; repeat from * across. Do not fasten off. Trim the Sashay Sequins, leaving a 4" (10 cm) end, and use sewing needle and thread to sew the last loop of Sashay Sequins to the Scarf to secure it. Fold under the corner of the ruffle and tack it to the Wrong side to finish the end; repeat for other end.
