Special Stitches

kfb (knit into front and back) = Knit next stitch but do not remove from needle, knit into back loop of same stitch and remove from needle.

M1 = Make 1 (Increase) – Lift strand between needles to left-hand needle and knit strand through the back loop, twisting it to prevent a hole.

ssk (slip, slip, knit) = Slip next 2 stitches, one at a time as if to knit, to right needle, insert point of left needle through front of stitches, knit these stitches together through back loop.

Notes

- Jacket is worked in five pieces: Back, Left Front, Right Front, and two Sleeves. Each piece is worked from lower edge upwards.
- Circular needle is used to accommodate the width of the fabric and thickness of the yarn. Work back and forth in rows as if working with straight needles.
