Simply Stated Poncho

You probably have used Sashay yarn for ruffles...but here is what happens when you use Sashay Boho like a yarn and knit with it! This classic poncho silhouette looks wonderful on all body types and has the added dimension of small sequins.

Poncho Measurements:

Length: 15" (38 cm)

Neck edge: 30" (76 cm)

Bottom edge: 44" (112 cm)

Poncho fits most women.

NOTES

Poncho is worked in rows. The 2 pieces (Front and Back) are sew together. When casting on, leave a 25" (64 cm) tail for seaming. When sewing Front and Back pieces together, use the "edge st" for seaming.

SPECIAL TECHNIQUE

Cable Cast-On

1. Make a slip knot on the left needle.
2. Insert the right needle knitwise into the stitch on the left needle.
3. Wrap the yarn around the right needle as if to knit.
4. Draw the yarn through the first stitch to make a new stitch, do not drop the stitch from the left needle.
5. Slip the new stitch to the left needle.
6. 2 stitches are on the left needle.
7. Insert the right needle between the two stitches on the left needle.
8. Wrap the yarn around the right needle as if to knit and pull the yarn through to make a new stitch.
9. Place the new stitch on the left needle.
10. Insert the right needle in between the last two stitches on the left needle and continue adding stitches until you have the total number desired.
