Betsy Ross Patriotic Apron

This apron features cleverly styled stars and stripes in "proud to be an American" colors of red, white and blue. It's great for wearing at every patriotic holiday gathering!

Apron measures about 29" (73.5) cm long, not including top ties, and is designed to fit most adults.

Special Stitch

sc2tog (single crochet 2 stitches together) = [Insert hook in next stitch, yarn over and pull up a loop] twice, yarn over and draw through all 3 loops on hook.

Special Technique

Join with sc = Place a slip knot on hook, insert hook in indicated stitch, yarn over and draw up a loop, yarn over and draw through both loops on hook.

Notes

1. Apron is made in eight sections: Skirt, top of skirt, waist tie, bib, two bib borders with ties, skirt border, and apron border.
2. The skirt is worked from side to side, back and forth in rows. The top of the skirt is shaped by working stitches across one side edge of the skirt piece.
3. The waist tie and bib are worked in rows above the top of skirt. Borders are worked along both sides of the bib and top ties are worked at the same time as the bib borders. A border is worked around the remaining sides of the skirt, then a border is worked all the way around the outer edges of the entire apron.
4. The heart pocket and stars are worked separately and sewn to the apron.
5. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color. Do not fasten off old color until instructed. Carry color not in use carefully up side of piece until next needed.
