## Sweet Baby Hexagon Blanket

*Pink and grey tones are a sweet combination for this cozy puff-stitch baby blanket. This easy pattern is crocheted from the center outward in hexagon-shaped rounds. This is a favorite way to create a blanket with few ends to weave in when you are done crocheting.*

**Blanket measures 39" (96.5 cm) diagonally from point to point.**

### Special Stitches

**Beg puff st (beginning puff stitch)** = Pull up loop on hook ¼" (1.5 cm), yo, insert hook in indicated space, pull up a loop [yo, insert hook in same space, pull up a loop] twice (7 loops on hook) yo, pull thru all 7 loops on hook.

**Beg puff V-st (beginning puff V-stitch)** = (Beg puff st, ch 2, puff st) in indicated space.

**Lg shell (large shell)** = (dc, [ch 1, dc] 4 times) in indicated stitch.

**Puff st (puff stitch)** = Yo, insert hook in indicated space, pull up a loop [yo, insert hook in same space, pull up a loop] 3 times (7 loops on hook) yo, pull thru all 7 loops on hook.

**Puff V-st (puff V-stitch)** = (Puff st, ch 2, puff st) in indicated space.

**Sm shell (small shell)** = (dc, [ch 1, dc] 2 times) in indicated stitch.

### Notes

1. When instructed to work into a puff V-st, work into the ch-2 space of that stitch.
2. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color. Cut old color.
