FINISHING

Weave in ends and block to finished measurements.

Fringe

For each fringe, cut 3 strands, each 10" (25.5 cm) long. Fold strands in half to form a loop. Insert crochet hook from right side through either corner. Place fold on hook and draw fold through, forming a loop. Thread ends of strands through loop and pull to tighten. Repeat to attach fringe in other corner and in every other ch-1 space across the long side edges of the shawl. Trim ends evenly.
