Origami Swing Sweater

This modern top, with cowl neck and high-low hemline, is equally at home dressed up over a slim sheath, or dressed down over your favorite jeans. Front and back are crocheted flat and then folded like origami to create a unique silhouette. Pattern is for a wide range of sizes as it flatters all!

Directions are for size Small; changes for sizes Medium/Large, X Large/2X, and 3X/4X are in parentheses.

Finished Hip Measurement: 43 (50, 56, 62)" [109 (127, 142, 157) cm]

NOTES

- Fit is loose and oversized with 4-8" [10-20 cm] of ease. Due to garment construction and shape, the closest-fitting part is the hip. Use hip dimension to select size. Stitch pattern has both widthwise and lengthwise stretch when worn.
- Body is worked in two pieces; the back/arm piece and a front piece. Both are worked from the top down. The back is folded to create arms and sewn to the front. Bottom ribbing and cowl neck are then worked directly on to the body.
- The Front and Back pieces are worked in rows alternating two balls of yarn. This prevents colors pooling at the edges of the piece. Work 2 rows on right side with separate balls of yarn before turning work and working 2 rows on wrong side.
