

**GAUGE:** Gauge is not important for this project.

**NOTE:** This scarf is a chain that is made by hand rather than with a crochet hook. Use the palm of your hand to measure each chain so that chains will be consistent in size.

**SCARF**

Using your hands, make a slip knot leaving a 5" tail and adjust loop to width of your hand. Pull yarn through the slip knot to form a chain. Use the palm of your hand to adjust the circumference of each chain. Continue to pull yarn through each chain formed until you reach 52" or desired length. Tie off leaving a 5" tail. Sew assorted buttons on as desired.
