## Un-Ruffled Knit Scarf

*As an alternative to the ruffy look, you can simply knit the Sashay yarn as it comes off the ball without spreading it out. Instead of knitting through the edge, you knit with the whole yarn. Using it this way as a very bulky yarn means you'll have a scarf in very little time!*

Scarf measures 3½" x 28" (9 x 71 cm)

### Note

Use the yarn as it comes off the ball.

### SCARF

Cast on 6 stitches.

**Row 1:** Knit all stitches.

Repeat row one until the scarf measures 28"  
(71 cm) long.

### FINISHING

Bind off loosely, drawing the end of the  
Sashay through the last bound off stitch.  
Weave in ends.

Sew button about 7" (18 cm) from one end.

To wear, place around neck and slip button  
through stitches at other end.

**Please Note:** Print this pattern using Landscape Orientation.
