Use macrame knots to create a statement necklace that looks great with classic clothes or more Boho style outfits. The multi-colored cord is available in shades that blend with your wardrobe.

Pendant measures 20" [51 cm]

Notes

Work macramé pendants on pin board, heavy cardboard or other fixed point, using T or head pins to hold cords in place. Gridded board makes it easier to set spacing between knots.

With other cut end, tie overhand knot around loop to secure. Bury cut ends in back side of pendant. Cut two 8" [20.5 cm] lengths of hammered chain. With smaller jump rings, attach half of clasp to each chain. With larger jump rings, join other end of chain to pendant, taking ring through loop of cord.
