Buy Yarn

RED HEART® Cordial™, Art E832 available in 62 yd (57 m), 3.5 oz (100 g) balls

Square Macramé Pendant

Try out your knot-tying skills for a macramé pendant and add the perfect touch of gorgeous folkloric style to your look. This cord is perfect for any of your macramé projects!

Pendant measures 10" [25.4 cm]

SPECIAL TERMS

mounting (anchor) cord = length of cord(s) pinned horizontally to which knot-bearing cords are attached to begin a piece.

knot-bearing cord = the cord around which knots are tied.

knotting cord = cord used to make knots.
working end = the end of knotting cord being used to tie knots.

space = distance left open between last row of knots and next row to be tied.

SPECIAL TECHNIQUES

Overhand Knot

Lark's Head Knot

Left Square Knot

Notes

Work macramé pendants on pin board, heavy cardboard or other fixed point, using T or head pins to hold cords in place. Gridded board makes it easier to set spacing between knots.

SQUARE SIMPLICITY PENDANT

Cut one 16" [40.5 cm] cord; fold in half. Holding both cords, tie overhand knot 1" [2.5 cm] from each end. Stretch cords taut horizontally across top of pin board, and pin through knots.

Cut eight 72" [183 cm] lengths of cord. Fold each cord in half and tie to mounting cord with Lark's Head knot. Number cords from left to right:

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16

Leave 1" [2.5 cm] space below Lark's Head knots.

Row 1: With 1-4, 5-8, 9-12, 13-16, tie Left Square knot (LSK)—4 knots.

Row 2: Skip 2 outer cords each side, and with 3-6, 7-10, 11-14, tie LSK—3 knots. Leave 1" [2.5 cm] space.

Rows 3 and 5: Repeat Row 2.

Row 4: Repeat Row 1.

Leave ½" [1.5 cm] space.

Page 1 of 2

Row 6: Skip 4 outer cords each side, and with 5-8 and 9-12 tie LSK in center—2 knots. Leave ½" [1.5 cm] space.

Tie Inverted Pyramid

Row 1: With 1-4, 5-8, 9-12, 13-16, tie LSK—4 knots.

Row 2: Skip 2 outer cords each side, and with 3-6, 7-10, 11-14, tie LSK—3 knots.

Row 3: Skip 4 outer cords each side, and with 5-8 and 9-12 tie LSK—2 knots.

Row 4: With 7-10, tie LSK in center—1 knot.

FINISHING

Cut folded end of mounting cord. Leaving ½" [1.5 cm], trim cord ends. Rub with fingers to encourage fringing.

Cut 2 8" [20.5 cm] lengths of hammered chain. With smaller jump rings, attach half of clasp to each chain. With larger jump rings, join remaining end of chain to pendant, taking ring through last link and overhand knot.

Trim hanging cord ends to desired length; tie overhand knots at bottom to prevent fraying.

ABBREVIATIONS

LSK = Left Square Knot; [] = work directions in brackets the number of times specified; * = repeat whatever follows the * as indicated.
