Throw measures about 53½ x 63" [136 x 160 cm].

### Notes

1. Throw is made from 30 motifs.
2. Motifs are sewn together, following Assembly Diagram.
3. Edging is worked around the outer edge of Throw.

### Special Stitches

**crossed-dc (crossed double crochet)** = Skip next stitch, dc in next stitch, working behind dc just made dc in skipped stitch.

**Fpdc (Front post double crochet)** = Yarn over, insert hook from front side of work to back and to front again around post of indicated stitch; yarn over and pull up a loop (3 loops on hook), [yarn over and draw through 2 loops on hook] twice.

**Fphdc (Front post half double crochet)** = Yarn over, insert hook from front side of work to back and to front again around post of indicated stitch; yarn over and pull up a loop (3 loops on hook), yarn over and draw through all 3 loops (1 loop remains on hook).

**Fptr (Front post treble crochet)** = [Yarn over] twice, insert hook from front side of work to back and to front again around post of the indicated stitch; yarn over and pull up a loop (4 loops on hook), [yarn over and draw through 2 loops] 3 times.

**popcorn** = Work 5 dc in indicated stitch, drop loop from hook, insert hook in first dc of the 5 dc just made, return dropped loop to hook and draw through.

**shell** = (2 dc, ch 1, 2 dc) in indicated stitch.

### Special Technique

**Adjustable-ring** = Wrap yarn into a ring, ensuring that the tail falls behind the working yarn. Grip ring and tail between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work stitches of first round in the ring. After the first round of stitches is worked, pull gently on tail to tighten ring.
