A Dozen Modern Motifs

Designer Edie Eckman offers you twelve original motifs for you to crochet, plus five projects to get you on your way. Crochet squares, circles, octagons, hexagons or triangles—the decision is yours!

Make the projects in colors to match your wardrobe or home décor, and use the motif designs as a resource to stretch your imagination. The projects all use techniques that eliminate sewing.

Edie Eckman is a designer, teacher and author who has been playing with motifs for years. She is the author of Beyond the Square Crochet Motifs (2008) and Connect the Shapes Crochet Motifs (October 2012), as well as The Crochet Answer Book and Around the Corner Crochet Borders.

Elegant Squares Throw

The granny is all grown up and elegant in these stylish home décor colors. You’ll love joining the motifs to each other during the last round, so that you don’t have to sew them all together.

SPECIAL ABBREVIATIONS

Double Crochet Two Together (dc2tog) = [Yarn over, insert hook in next stitch, yarn over and pull up loop, yarn over, draw through 2 loops] 2 times, yarn over, draw through all loops on hook.

Double Crochet Three Together (dc3tog) = [Yarn over, insert hook in next stitch, yarn over and pull up loop, yarn over, draw through 2 loops] 3 times, yarn over, draw through all loops on hook.

Notes

Squares are joined using a join-as-you-go method to minimize finishing tasks. If you prefer, make 30 individual square motifs and crochet or sew them together later.

Tips for Washing RED HEART® Soft:
• Use gentle fabric detergent, such as Ivory®, in warm water.
• Use less than half of the suggested amount of liquid fabric softener, as too much softener will cause fiber to stretch.
• Tumble dry on low and remove from the dryer before completely dry.
• To keep fringe or pompoms looking their best, handwash, lay flat to dry.

The projects in this book were created with RED HEART® yarns. For best results, we recommend following the pattern exactly as written.
